

The image shows the interior of a bar named Blowers & Grafton. The scene is captured from a low angle, looking across a long wooden bar counter towards the back of the establishment. The ceiling is dark with exposed wooden beams and several large, industrial-style pendant lights hanging from it. The bar counter is made of light-colored wood and is lined with dark green square tiles. In the foreground, several brown leather bar stools with white stitching are visible. In the background, there is a brick wall with a bar area, a large mural of an angel, and a television screen. A central circular overlay contains the text:

ABOUT US

Blowers & Grafton (B&G) dishes up authentic Halifax street food, delivering real, honest ingredients with laid-back, East Coast hospitality. B&G sources as much of its menu as possible from out East to bring you tasteful tributes, genuine flavours and all the classics! From The OG Halifax Donair and Garlic Fingers, to the Mini Lobster Rolls and Chips, it's all washed down with your choice of craft beer or cocktail.
