

BLOWERS & GRAFTON

HALIFAX STREET FOOD + BAR

THE INTERSECTION OF BLOWERS STREET & GRAFTON STREET IS LOCATED IN DOWNTOWN HALIFAX.

Originally, this intersection consisted of three pizzerias known mostly for their Halifax-style donairs. However, it has since transformed into Halifax's hub for street food, where tourists and locals flock into the early hours of the morning. During the 1995 G7 summit, this quintessential Halifax intersection lured world leaders and catapulted the Halifax donair onto the world stage. With their population of just 390,000, the Haligonians - with a rich history of street food bravados - have created Canada's most enduring street foods and have wondrously managed to cluster them at the intersection of Blowers & Grafton.
